Attached is a copy of H.R. 959, the "Administrative Rule Making Reform Act of 1977" which would amend the Administrative Procedure Act, 5 U.S.C. 551 et seq. This legislation is currently in the Subcommittee on the Rules and Organization of the House Rules Committee and has recently become active. The Subcommittee has to date held one day of hearings (5 June) and has scheduled a second day of hearings on 26 June. In order for us to submit a self-initiated views letter to the Subcommittee reflecting our concerns with this legislation, I would ask that you forward your written comments to OLC by COB Thursday, 15 June.
